

## First Annual James Monroe Elementary Direct Donation Drive

Our goal for this year is to raise \$20,000. 100% of your tax-deductible donation remains at Monroe.

For the 2008/09 school year, the PTO would like to provide the school with Earthquake Emergency Kits and a distribution to teachers so that they can incorporate "extras" into their classroom programs, such as books for the classroom library and materials for special projects.

The Monroe PTO would also like to maintain our current PTO funded programs:

- Bring enrichment programs to our students such as Ocean's Month activities
- Rent buses for field trips
- Classroom supplies for students
- After school family activities like Math Night, Winter Sing Along, Martin Luther King, Jr. Night, Lunar New Year Night, Cinco De Mayo/Mother's Day Night to name a few

We all know that continuing to provide these activities has enormous educational benefits for our children every day!

Please check with your employer about corporate matching to make your donation go even farther!  My company will be matching the funds below
